15-POINT OPPORTUNITY VERIFICATION CHECKLIST

Check Smart. Verify First. Protect Yourself.

STOP - CHECK - VERIFY - THEN PAY

Use this checklist before paying for a job, visa-related service, scholarship, conference, training or other international opportunity.

How to use it

For each point, mark YES only when you have meaningful independent evidence. Mark NO when the claim fails verification. Mark UNCERTAIN when you still need evidence. One serious problem in a critical area may be enough reason to stop, regardless of the total score.
